Wilbur Lloyd Garrison
My dear Sir.

I hope you
will send something to
the colored papers, &
churches uniting in the
movement. What we
wish for is, most especially
information as to their
work, & how to get
relief to them. May I
trouble you (in behalf of
my fellow-ministers) to
furnish us with a brief
statement of your
views & movements.
Fraternally Yours
Rev. Joseph Davidson
